

Dear Guest,

We are delighted that you have chosen Motel Long Lake and Cottages for your stay in Long Lake. The property operates year-round, with our main season running from the first week of May through the third week of October. At the end of October, we change to our winter season, which runs through the end of April. During the winter season, 8 cottages--10, 10A, 21, 23, 25, 26,27, 28 --remain open. We take great pride in our service during both our main and our winter seasons and want your stay to be an exceptional one. If there is anything you desire, or any assistance we can offer during your stay, please do not hesitate to call on our staff.

On the following pages we would like to introduce you to Motel Long Lake and Cottages and the surrounding region. We hope your stay is both pleasurable and memorable. We value the insights and opinions of our guests and welcome your comments and suggestions.

Thank you for being with us,

Sincerely,

Dana and Stanley

With Lukas, Kinga, Tom, and families

Services Available for Your Convenience

Boating/Beach

[see **BEACH RULES** on last page]

We maintain canoes and kayaks for use by our guests between 9:00 am and 7:00 pm. Please stop by the office to fill out our safety form and pick up your paddles and vests.

All vests and paddles must be returned to the storage room no later than 7:00 pm daily. Please do not leave vests or paddles on the beach/dock or take them back to your room/cottage.

We offer two boat docks to tie off your watercraft during your stay. Boat slips are offered on a first-come basis.

Our private beach does not have a lifeguard on duty. Please use caution at the beach and swim area.

Absolutely no diving. We do not provide beach towels or blankets. Please do not bring towels or blankets from your room/cottage to the beach. We offer three beach fire pits for our guests to use on the beach only. Firewood can be obtained in town at the Stewart's gas station or Northernborne grocery store.

Phone Service

We apologize for the inconvenience, but we do not have land line phone service in the rooms or cottages. Only **ATT** and **Verizon** cellular services have towers and a strong signal in Long Lake. All other providers may have a weak signal piggybacking off the ATT/Verizon towers. While our phone booth was retired some years ago and cannot place or receive calls, it remains a wonderful spot for photos.

Gift Cards

Motel Long Lake and Cottages Gift Cards are available at the Office. Always a perfect gift!

Housekeeping Requests

For any service or special request such as baggage handling, a crib, roll-away bed, or other needs, please call or visit the Office.

We offer housekeeping service for our cottages by request only. There will be a charge based on the size of the cottage and frequency of cleaning.

Ice Machine

An ice machine is located to the right of the Office.

Parking

At check-in, you will be designated an area to park during your stay. We ask for your cooperation in this matter to assure that every guest has the best possible access to their room.

Pets

We accept pets with restrictions in our designated pet friendly rooms/cottages. Please contact the office if you wish to bring your pet. Feel free to call or visit the office with any questions about staying with your pet.

Library/Reading Nook

We offer a small collection of books located on the bookcase in the gazebo.

Lost and Found

Please stop by the Office if you are looking for a lost item or have found an item on the property.

HOUSE RULES

CLEANING

There is no daily cleaning service in the cottages. Please leave the cottages clean when you leave. Please clean all your dishes and take out the garbage prior to leaving. Please turn off all lights and heaters when checking out. For cottages left uncleaned, cleaning fees start at \$200.

GRILLS

Each cottage includes a propane-fueled grill on the porch. Guests are responsible for providing their own propane. Most grills use a standard 16 oz propane bottle. These can be purchased in town, at home improvement stores, or in the camping section of many big-box stores.

Cottages #1, #5, #9, #22, #25, #26, and #28 are equipped with larger grills that use 20 LB propane tanks. Complimentary propane is provided for these grills.

If you want to use a larger 20 lb propane tank with a standard cottage grill, you will need an adapter to a CGA #600 connection. However, we find it more convenient to use the standard 16 oz tanks.

The grills are not designed for use with charcoal, and attempting to use charcoal may present a fire hazard. Use the appropriate propane tank only.

Please clean your grill before checking out. Cleaning fees start at \$100.

MANDATORY RECYCLING

Recycling is MANDATORY in the Town of Long Lake.

Please recycle: Glass, all Plastic, Paper and Cans (everything must be thoroughly rinsed before recycling).

Please bring your garbage down to the collection building near the exit of the grounds before 7pm daily. The garbage building is locked after 7pm. Please keep food and garbage inside at night as we have wild visitors who really like garbage.

HOUSE RULES (CONT.)

FIREPLACES

Some cottages have fireplaces. We do not supply firewood, but it may be obtained in town from local stores or from any of the roadside firewood stands scattered about the area. If you plan to source your own firewood, please be aware that local regulations prohibit the transport of firewood more than 50 miles from where it was cut. This is to protect local forests from harmful parasites that can quickly kill off certain tree populations. Please protect our trees.

Please be sure to leave your fireplace cleaned of all ash and unburned wood, all of which may be left in the ash bucket. Cleaning fees start at \$100.

SEPTIC SYSTEM

Each cottage will accommodate a specific number of people in order to prevent overloading the septic system. We ask that you do not bring extra people. Please do not flush insoluble items down the toilets or put grease down the drain.

Flushing certain items can cause damage requiring extensive repairs. Please use waste baskets for grease, paper towels, cups, sanitary napkins/tampons, wipes of any sort (including baby wipes **as well as so-called flushable wipes**), diapers, latex or rubber products, etc. Plumbing repair costs start at \$300.

HOUSE RULES (CONT.)

BEACH RULES

There will be NO lifeguard on duty at this facility.

NEVER SWIM ALONE. A minimum of 2 adults, 18 years of age or older, must be present whenever this swimming facility is in use with at least one adult on the beach front.

THERE IS NO SUBSTITUTE FOR ADEQUATE SUPERVISION. Children under 16 years of age must be accompanied by a parent or guardian or similar adult responsible for their safety and behavior.

IN AN EMERGENCY, NOTIFY THE FACILITY OPERATOR OR CONTACT HELP IMMEDIATELY BY CALLING 911 from the office telephone which will be open during beach open hours.

NO DIVING. There may be hidden obstructions under the water.

Only use this facility during posted hours, and swim only in designated swimming area.

Don't drink alcohol and swim.

Blankets, towels, or furniture may not be removed from the cottages and used at the beach or outside.

If you are having a beach fire, please put out the fire with water NOT sand. Do not empty ashes out onto the beach.

THERE IS NO SMOKING ALLOWED INDOORS

CHECK-OUT TIME IS 10:30 AM

QUIET HOURS ARE EXPECTED AFTER 10 PM
